

29.30.31 October 2015

Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

Arvind Sivaramakrishnan

Chief Information Officer
Apollo Hospitals Enterprise Ltd.

Delegate Registration

The 30-year Apollo Hospitals is a forerunner of integrated healthcare in Asia, as well as globally. In his role as CIO, Arvind Sivaramakrishnan is responsible for the IT strategy and implementation across the Apollo Hospitals Group. And he has extensive experience in management consulting, architecting, and building solutions for enterprise wide applications. He has led Apollo Hospitals in achieving the prestigious HIMSS Level 6 Healthcare IT maturity model Certification, which is a rare maturity level attained in Asia Pacific.

His experience in the domain of healthcare IT has spanned geographies across the world. Prior to his current assignment, Arvind was with the Healthcare Practice of Computer Sciences Corporation, in Michigan USA.

Apart from ICT solutions in the Healthcare domain, Arvind has a keen interest in IT solutions which aid Quality and Service excellence in service industries.

He is a certified project management professional from the PMI, USA and Six Sigma Blackbelt from ASQ, USA.
