

29.30.31 October 2015

Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

Anirban Dey (Andy)

Global Head – Edge Products
EdgeVerve Systems Limited

Delegate Registration

Andy has diversified experience in general management, cloud and platform technologies, enterprise applications and in incubating Big Data solutions. At EdgeVerve, Andy heads the Sales, Marketing, R&D, Services and Operations for the Edge products portfolio.

Prior to joining EdgeVerve, Andy was SVP at Concur Technologies (now part of SAP) and was heading the R&D for Concur's Cloud solutions in Travel and Expense. He has also spent 6+ years at SAP Labs India in various roles, joining them as VP for BI & Data Warehouse solutions and later went on to head the HANA R&D Team in India. His last role was to lead SAP Labs India as its Managing Director.

Prior to SAP, Andy was with Oracle Inc. for 10+ years in their Applications Division, at Redwood Shores, CA, USA.

Andy is a Charter Member of The Indus Entrepreneurs (TiE), Bangalore Chapter leading their startup engagements in the SMAC (Social Media, Analytics and Cloud) and IOT (Internet of Things) space.

Andy has completed his MBA from University of California, Berkeley – Walter A. Haas School of Business (USA), his Masters in Engineering from University of Nebraska – Lincoln (USA) and Bachelors in Engineering from Indian Institute of Technology – Kharagpur (India).
