Basant Kumar Chaturvedi wears many hats: he's a transformational leader, Head IT, spiritual speaker and philanthropist. He has 22 years of experience in delivering business transformation enabled by disruptive technology. He's regarded as a techno-business strategist driving the integration of social, mobile automation, and digital thinking into everyday management as a way to improve business processes and build profitable connections between consumers and brands.

He firmly believes in the power of cultivating a collaborative team culture focused on delivering practical business results: profitable revenue, enhanced market share through automation, satisfied customers and an engaged team.

Rated as Asia's Top 100 Most Respected CIOs, he has won several prestigious recognitions including CIO 100 of the year, Asia's Top 100 CIOs, Global Innovation Award from Citrix, InformationWeek Silver Edge Awards and the IT Excellence Award from CNBC TV18. He was featured in various media interviews. As a speaker he has also delivered sessions on Business Technologies, Cloud Computing, Unified Communication, BYOD, Business Consumerization and Green Technologies in various forums.

He's a SAP Certified Consultant and holds Master's Degree in IT; MBA in Information Systems; A-Level from DOEACC Society and a Bachelor's Degree in Computer Applications. Apart from this, he has attended management programs organized by leading global institutes including SAP Walldorf, IIM Calcutta, National Institute of Electronics & Information Technology (NIELIT) and Crestcom International. He has also acquired a number of certifications in various areas of management and IT.

When he isn't at work, he is a regular blogger and speaker on various online spiritual forums and spiritual orgs. He is also associated with various NGOs to serve the underprivileged sections.
