SPEAKER PROFILE

Girish Kulkarni
Chief Medical Informatics Officer
Cytecare Hospitals

in

Delegate Registration

Girish has over 22 years of experience in Business, Telecom Operations and Healthcare IT Management & Transformation consulting. He's an Industrial & Production Engineer from Mysore University, and an alumnus of ISB's Global CIO Certification program.

With over a decade of Healthcare IT Experience in the Indian Provider space, he's one of the first in the country to pioneer the concept of "CIO AS A SHARED SERVICE". Having worked with multiple clients in the region, he also supports a few state initiatives for improved healthcare system / process delivery in the country.

He has rich experience in setting up IT Systems at diagnostic centres, stand-alone medical centres/hospitals and hospital chains. He's now building a strong "SMAC 3.0" based mobile application suite for a fast growing Home Health provider.

Girish has worked on IT Transformation projects over the last few years and has been involved in detailed assessment & due diligence of over 20+ HIS systems (Indian products) thus offering a quick launch to all his client initiatives around Transformed IT Ecosystem. He has implemented over 4 different ERP systems for healthcare providers in the last few years.

Girish was recently named "CIO of the Year" for the Healthcare – Pharma – Life Sciences vertical for 2014 by Mumbai Stock Exchange's (BSE) annual IT Awards.
