

## SPEAKER PROFILE

**KK Mookhey**

Founder and Director  
Network Intelligence

**Delegate Registration**

KK is one of the pioneers of the information security industry in India. Having established Network Intelligence in 2001, he has grown it from a one-man show to a team of 200 committed, passionate and focused security professionals working across numerous locations in India and the Middle East. He is a well-regarded consultant and trainer with strong technical know-how as well as a keen sense of ensuring business priorities are met while designing and implementing security controls.

His experience ranges across banking, financial services, IT, shipping, Oil & Gas, law enforcement, as well as various United Nations agencies.

He continues to be hands-on with skills across security assessments, audits, security architecture, control frameworks, incident response, forensics and designing security solutions.

He is also the author of three books and numerous articles on information security and entrepreneurship.

Currently his focus within the company is to build innovative security solutions to solve complex problems.

KK has achieved numerous certifications such as:

- PCI DSS Qualified Security Assessor (QSA)
- Certified Information Systems Security Professional (CISSP), ISC2
- Certified Information Systems Auditor (CISA), ISACA
- Certified Information Security Manager (CISM), ISACA
- Certified in Risk and Information Systems Compliance (CRISC), ISACA
- Associate Member of the Association of Certified Fraud Examiners (ACFE)
