## SPEAKER PROFILE

### **Mani Mamallan**

Founder, Chairman & Managing Director.  
Electronic Payment & Services Pvt Ltd.

**Delegate Registration**

Founder, Chairman & Managing Director of Electronic Payment and Services Pvt. Ltd. (EPS), is well respected for his deep knowledge, innovation and ingenuity in the retail technology banking space, including the microfinance domain. He is renowned for his business acumen, strategy and vision among peers and professionals in the banking community across India.

Mani is also the Founding Member & Director of the Confederation of ATM Industry (CATMi), a registered non-profit trade association solely focused on representing and protecting the interests of the ATM industry in India.

Mani Mamallan is an active member of Payments Council of India (PCI) and Internet and Mobile Association of India (IAMAI), as well as an advisor on the National Advisory Committee (NAC) of IBEX INDIA.

With over three decades of experience in Banking, Organization Development, Payments Systems and shared ATM Networks, Mani is considered a pioneer in introducing ATM Outsourced Services in India. Earlier, during his stint at C-Edge Technologies Limited, a joint venture between Tata Consultancy Services Ltd. (TCS) and State Bank of India (SBI), he was responsible for conceptualizing the implementation of a transaction based ATM Outsourcing model which led to the Ministry of Finance initiated Brown Label ATMs in India. Prior to that, as COO of India Switch Company (ISC), Mr. Mamallan was highly instrumental in initiating Swadhan in 1997, the 1st shared payment network in India, promoted by Indian Banks' Association (IBA) for their member banks and was serviced by the India Switch Company (ISC).
