

29.30.31 October 2015

Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

Pravin Savant

Chief Technology Officer
Lowe Lintas India

Delegate Registration

Pravin is an experienced IT professional with over 25 years of work experience across various sectors. He has served companies like Lowe Lintas (IPG), STAR India (News Corporation), Godrej Industries Ltd., Ballarpur Industries Ltd (BILT), Gulf Oil India Ltd and CCILtd.

A highlight of his vast experience has been the multiple domains and Industry sectors that he served. His experience includes driving organization-wide technology initiatives along with business functions. Pravin has previously held senior positions at STAR group as Vice President IT, and with Godrej Industries, as General Manager IT. One of the unique features of his exposure includes his association with large Indian Groups such as Godrej & BILT, as well as with huge Multinational organizations such as News Corporation and Interpublic Group. This has helped him gain valuable experience with global leadership programs and best practices. His major Asia Pacific Project initiatives include: Broadcast Management (ERP) System, SAP-ERP, Intellectual property management, Peoplesoft HRMS, Collaboration platforms and mobility. Additionally, some of his prior assignments include: e-business initiatives, Supply Chain Management and setting up a dot.com venture.

Pravin holds a Bachelor's degree in Mechanical Engineering with post-graduation in Systems. He holds a Master's Degree in Finance from Mumbai University. Additionally, Pravin is an alumni of IIM Bangalore, India & MIT SLOANS, Boston, USA.

Pravin currently works as Chief Technology Officer with Lowe Lintas India, part of Lowe Worldwide & the Global Advertising major Interpublic group (IPG).

A recipient of many Industry awards, Pravin is an active participant in various Industry forums and regularly contributes to leading technology publications.
