Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

Shreesh Patwardhan

CIO & VP (IT)
Dynamic Logistics

Delegate Registration

Shreesh Patwardhan is a mechanical Engineer and MBA with a track record of 25 years in various industries such as Material handling, Logistics, and IT. He is also a certified Project Management Professional (PMP) from PMI, USA, and an alumni of IIM Ahmedabad.

Currently, he serves as Vice president (IT) at Dynamic Logistics, where he was instrumental in starting the IT division and "Team IT". Here he is responsible for strategic planning, giving direction to IT initiatives of Dynamic Logistics. He has steered the organizational growth through innovative use of the latest technologies. He also managed a complete project of 1,25,000 sq. ft. warehouse, right from construction to commissioning for Renault SA, (France) at Pune.

He is an active member of various organizations like IT Panel of Confederation of Indian Industries, Computer Society of India, NASSCOM, TIE, and PMI Pune Chapter. He is currently treasurer of the Pune Chapter of CIO Klub.

Patwardhan has made presentations as guest speaker on various subjects such as ERP, Logistics, Zero latency enterprise, XML and Systems in Logistics -- at seminars organised by CII, CSI, Institute of Material Management, IIT-Bombay and many others. He is also a visiting faculty member at various management institutes in Pune.
